

Odyssey 2015

21ST VINTAGE RELEASE

Katnook Odyssey Cabernet Sauvignon is one of 53 wines listed in the 'Outstanding' category of the Langton's VII, Classification of Australian Wine.

Katnook Limited Release wines are of exceptional quality and embody luxury and refinement. These flagship wines are handcrafted only from vintages where a superior quality is achieved. Made with the most meticulous attention to detail, Katnook Odyssey signifies a seamless blend of intense fruit and extended oak maturation.

Grape Variety: Cabernet Sauvignon

Region: Coonawarra

Harvest: 14 - 17 April 2015

pH: 3.53 **Acidity:** 6.4g/L

RS: <2.5g/L **Alc/vol.:** 15.0%

Vintage Conditions:

Coonawarra's 2015 vintage was amongst the earliest on record. An ideal growing season of slightly above average temperatures and dry conditions produced outstanding Cabernet Sauvignon grapes.

Odyssey is created from small parcels of outstanding Cabernet Sauvignon grapes sourced from our oldest terra rossa vineyards and selected for their richness and intense flavours.

Oak Maturation:

Matured for 36 months in oak barriques, 74% French (32% new) and 26% older American oak. Structure, complexity and length are enhanced by fine grained tannins.

Food Matching:

The concentrated flavours of Odyssey will pair well with full flavoured dishes such as grilled ribeye with blue cheese butter, slow roasted balsamic lamb shanks or an onion and gruyere cheese tart.

Colour:

Deep plum red with purple hues.

Nose:

Layers of rich fruit and oak. An attractive combination of dark berries, ripe plum fruit and oak maturation notes of mocha, vanilla and cedar.

Palate:

A complex array of concentrated fruit and oak flavours. Rich blackberry, black cherry and plum with hints of vanillin and mint are complemented by fine-grained tannins and extended oak maturation characters.

Cellaring Potential:

Cellared correctly, Katnook Odyssey will age gracefully for up to 20 years.
