Reviews

Deep, youthful colour and a lovely ripe, fresh, appealing bouquet, which is more than simple primary fruit. There are some cabernet nuances and no leafiness to speak of. The wine is full-bodied, rich and supple, with ample soft tannins and lovely balance. Good acidity refreshes the finish. A wholly impressive wine, with a big future.

94 points

Good colour; an opulent, medium to full-bodied blend with a cascade of blackcurrant, blackberry, cherry, tannins and vanillan oak all sweeping along the palate. 94 points. Drink by 2038.

Medium to deep gamet/purple, the 2013 Katnook The Caledonian Cabernet Shiraz has aromas of black and red currents, blackberries and cedar with touches of pepper and cloves. Medium to full-bodied, the palate is balanced with good concentration and freshness, medium levels of grainy tannin and a long finish with refreshing lift.
